

Information for CSOs

- 1280 new articles were added on nonprofit.hu.
- We remain the primary platform for job seekers in the civil sector, publishing 655 job vacancies.
- The NIOK HUB continued to be a popular venue for CSO events.
- We distributed 48 nonprofit.hu newsletters to over 11,000 subscribers.

Trainings

- We conducted 12 public webinars on CSO management and resource optimization.
- Offering 6 training sessions and 4 online courses for CSO employees, we covered topics such as media literacy, countering disinformation, positive narratives, organizational and mental resilience, and online campaigning.
- Additionally, we contributed to the knowledge of CSOs on these topics with 22 new blog posts and 5 free self-paced online courses.

Civil Award

- 104 applications were received.
- Out of 25 finalists, 10 organizations were awarded prizes at the gala awards ceremony, which was attended by a packed house.

Podcast

Our channel features 3 new programs on civic advocacy and communication, produced in partnership with the Hive Mind Community.

Social Base Building

In late 2023, a new phase of our social base program kicked off under the Stronger Roots project, supported by the EU. We collaborate with 16 organizations for a year and a half to help them better understand and strengthen their support base.

Research

- In collaboration with Pulzus Research, we conducted a representative study examining private donation habits and trends.

Adjukossze.hu Donation Portal

- In 2023, over HUF 380 million was donated to various causes through Adjukössze.hu's community, credit card, and telephone fundraising services.
- A record-breaking HUF 35 million was raised in a single social campaign on the Adjukössze social platform in 2023.
- The number of new organizations using the card payment interface increased, with 38 new organizations joining this year.

NIOK staff members collectively volunteer in 13 CSOs. :)

Civiltech.hu

We supported NGOs with donations and discounted software, amounting to HUF 300 million.

Meet & Code

- Grants were awarded to 54 organizations, enabling them to organize 81 events with the participation of 4,700 young people to showcase the enjoyment of programming.
