Regranting

In the framework of 4 calls for proposals, we distributed grants worth 180 000 EUR to 27 organisations for projects in the fields of social base building and communication.

Podcast

We have produced 14 new episodes on topics of interest and benefit to NGOs.

Adjudkössze.hu

- A total of 180 000 EUR was raised for good causes by the organisations through crowdfunding campaigns running on Adjudkössze.hu
- A total of 742 000 EUR was raised through all Adjudkössze fundraising tools (crowdfunding, bank card and tele fundraising)

Adjudkössze webshop donation

We launched a new service where anyone can donate to a registered NGO with just one click when shopping online. The service is free for NGOs and does not mean an additional cost for customers either, as the donation is deducted from the profit of the online shop after the purchase..

- 159 organisations joined the service in 2024
- 378 partner online shops and service providers
- 580 purchases made through the system
- 816 users have already registered

We celebrated the 30th birthday of NIOK :)

Civiltech.hu

We supported the work of NGOs with donated and discounted software worth 706 000 EUR.

Conference of researchers and developers

One of our priorities is to connect researchers and local civil society organisations to help put scientific results into practice. This is the idea behind the first event of the Researchers and Developers Meeting series, organised in cooperation with the Social Science Research Centre, and to be continued!
