

NIOK's Year in Review - 2022

NIOK
FOUNDATION

Information, Training

- 1327 posts on nonprofit.hu and 22 public, free webinars - we have never shared this much information in a single year before.
- Celebrating a significant milestone, we sent out our 700th newsletter to our dedicated base of 11,500 nonprofit.hu subscribers.
- Continuing to be a leading platform for job opportunities in the civil sector, we published 793 announcements for job seekers.
- With 14 new blog posts and 5 free, self-paced online courses, we helped civil organizations enhance their knowledge in the areas of digital security, combating misinformation, and building positive narratives.

Podcast

We produced 8 new episodes, covering engaging and informative topics for the civil sector

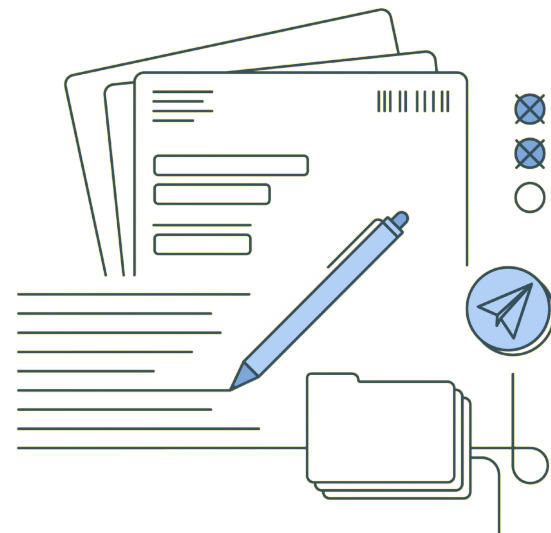

Social Base Building

In 2022, a broader circle of civil organizations could embrace the concept of social base building. We conducted a 6-part webinar series focusing on the development of supporter communities, with our partner organizations showcasing their experiences through 12 case studies.

Civil Awards

- We have received 110 applications for the awards.
- The "Margaret Island Pebbles" initiative, dedicated to those lost to COVID-19, received a special award.
- At the awards ceremony, we expressed our heartfelt gratitude to the organizations supporting Ukrainian war refugees (who would be eligible to apply for an award only next year), with a resounding round of applause.

"It was heartwarming to witness the multitude of proactive, creative and selfless individuals, all dedicated to making Hungary a better place."

Research

In 2022, we contributed to 3 insightful and valuable research projects for CSOs, focusing on fundraising, internet accessibility, and the effects of the energy crisis.

Adjukössze.hu Donation Portal

- The largest-ever sum of almost HUF 9 million was raised in a single campaign.
- Breaking the annual record for crowdfunding, private individuals contributed HUF 111 million to CSOs through the Adjukössze.hu platform.
- We offered discounted crowdfunding options to support campaigns for Ukraine, backing refugees. Through match funding and community fundraisers, an impressive HUF 14.5 million was raised for this worthy cause.
- Notably, the largest individual donation of the year amounted to HUF 1 million.

On Wednesdays, we love making and eating our favorite brown rice salad together. In 2022, we cooked up 26 kg of rice for these lunches at the NIOK office :)

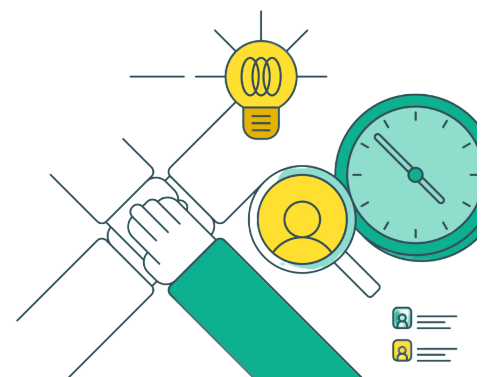

Civiltech.hu

In 2022, we provided invaluable support to 133 organizations by offering free software, amounting to a significant value in the hundreds of millions of HUF.

Meet & Code

We distributed 20,000 euros in grant support among 44 organizations, enabling them to organize 50 events with the participation of 1700 young individuals. These events focused on fostering an enjoyable exploration of the world of programming.
